

GAYLACTIC NETWORK SPECTRUM AWARDS NOMINATION FORM

The Gaylactic Network Spectrum Awards are given to recognize outstanding works in science fiction, fantasy or horror which deal positively with issues, themes and characters of special relevance to the lesbian, gay, bisexual and transgender communities. Winners are chosen by a final voting committee. Nomination forms must include a name, and at least one form of contact. If you have more than two nominations, please include additional nomination forms to ensure all information is supplied.
